

# Texas Workplace Charging Road Show

*What*

interested in developing a workplace charging program at your facility but not sure where to start? join us at one of four Texas workshops organized by the U.S. Department of Energy Clean Cities!

*Who*

sustainability & facilities managers, transportation planners, human resources supervisors and other interested parties

*Why*

learn about charging stations, plug-in electric vehicles (PEV), resources and incentives to employers and employees. hear from companies who already offer PEV charging and learn best practices for installing and managing workplace charging. meet station equipment vendors and test drive a PEV!
